

# GREEN BUSINESS IS GOOD BUSINESS

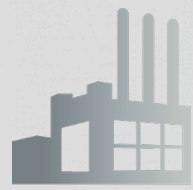

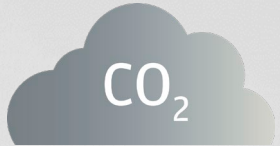

Global capacity and supply chain

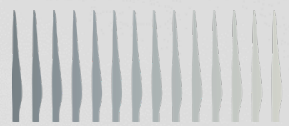

**13,233** people worldwide

**14** blade factories

**251** million metric tons  
of CO<sub>2</sub> mitigated

**241,000** blades produced  
since 1978

# Our Carbon Neutral Journey...

**2010: LM Wind  
Power joins UN  
Global Compact**

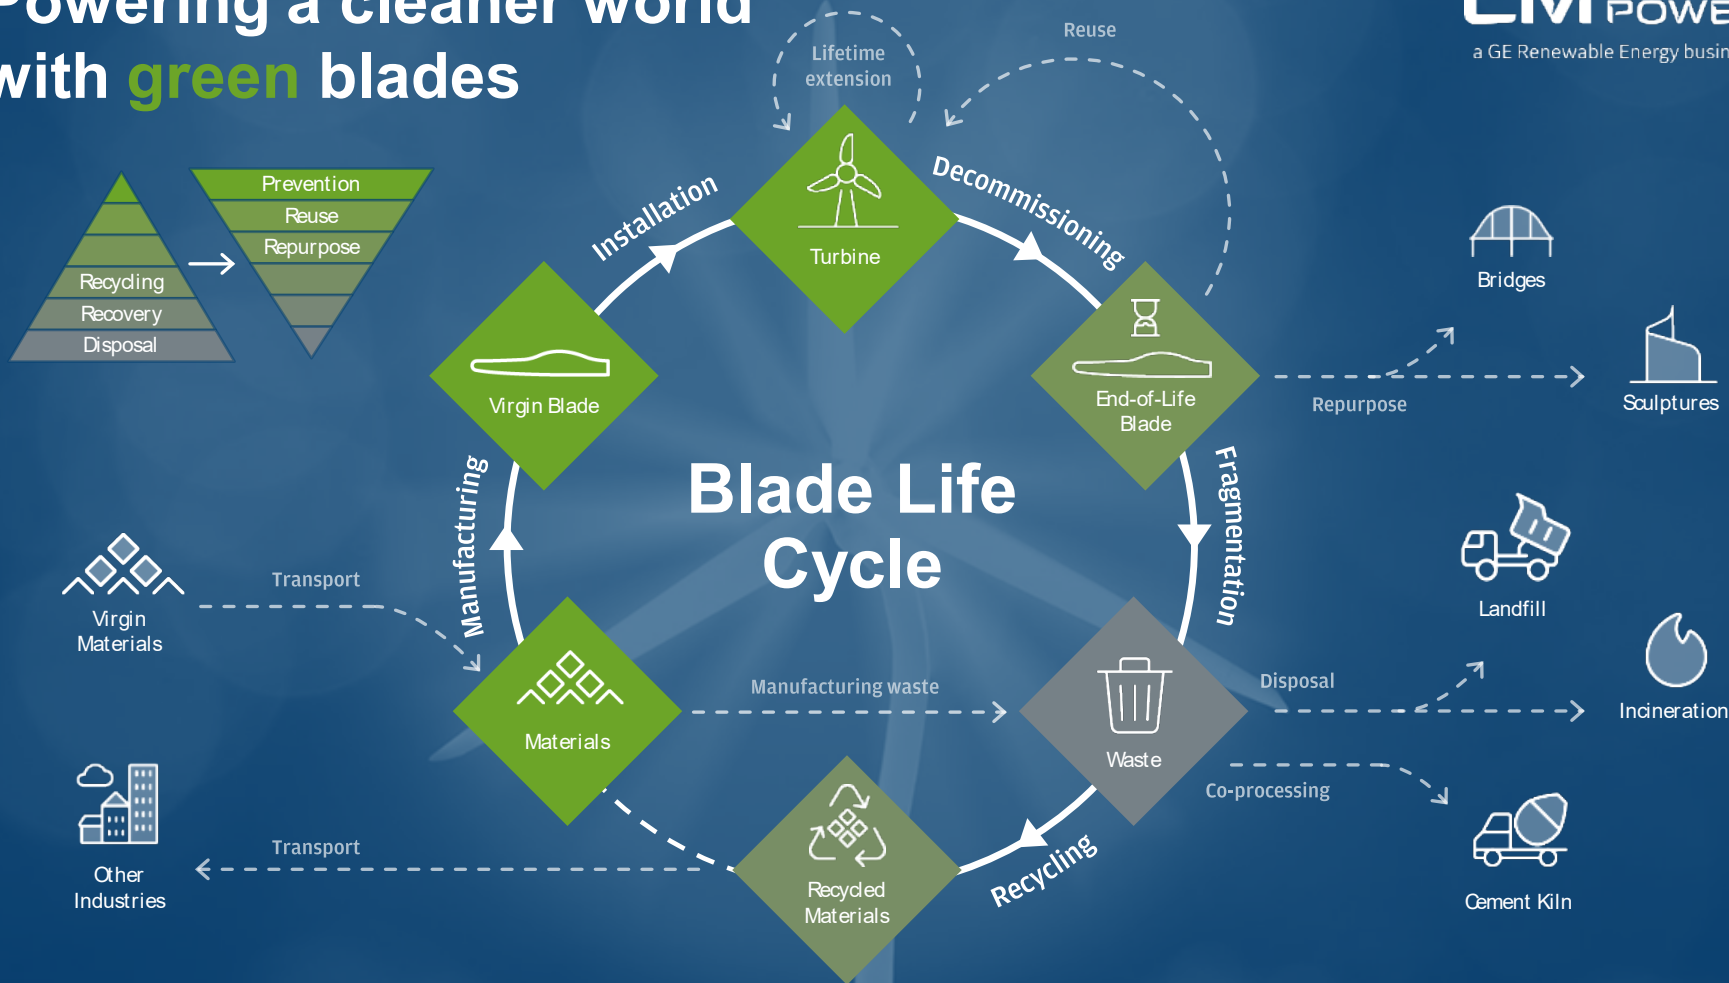

**December 2016: LM  
Wind Power pledges  
to become Carbon  
Neutral by 2018**

**2016-2018: Four main workstreams  
make up our carbon neutrality  
program, which we continuously  
develop and improve**

**August 2018: LM Wind  
Power achieved Carbon  
Neutral status. Four  
months ahead of plan**

# Powering a cleaner world with **green** blades

**We  
Create  
Balance**
